VITAMINS

VITAMIN C

One of the most popular antioxidants. It may help destroy cancer cells and support immune function and fight off illness.

GLUTATHIONE

Antioxidant. Reduces cellular damage caused by alcohol and helps the body create energy. Improves insulin resistance in older adults. Decreases inflammation.

VITAMIN B12

A nutrient that helps keep the body's nerve and blood cells healthy. Increases energy levels and concentration. Supports immune system, improves sleep patterns, improves mood and depression.

B-COMPLEX

Improves liver function and memory. Protects the body's immune system and helps with breaking down fats & carbohydrates into energy. It can have positive effects on hair, skin, & nails.

TAURINE

Promotes healthy metabolism, balances electrolytes in the body, aids in lowering mild hypertension, inflammation and anxiety.

ZINC

Increases immunity and helps fight off colds. Facilitates wound healing, maintaining normal growth rates, normal skin hydration, and the sense of taste and smell.

MAGNESIUM

A mineral that is important in maintaining the function of our nerves, cells, bones, muscles, and heart.

VITAMIN D

A vitamin that is crucial to building and maintaining healthy bones and teeth.

LIPO PLUS

A mix of fat-burning antioxidants and vitamins that will benefit your weight loss journey.

BIOTIN

Helps with hair loss, brittle nails, and nerve damage.

AMINO BLEND

The combination of these ingredients and the roles they play may aid the body in protein metabolism, cell volumizing, increasing growth hormone & vitality, fat metabolism & energy. Prevents the breakdown of muscle and converts fatty acids into energy.

L-CARNITINE

Carnitine is found in nearly all cells of the body and plays a critical role in fueling the production of energy. It transports toxic compounds out of the cellular organelle, preventing any accumulation. It keeps the body's cells powered and working efficiently.
